

GET GOLF READY

Dear Future Golfer,

We are excited to announce a new program for the 2015 season. Get Golf Ready, is a nationally recognized program designed to help people get introduced to the game in a fun and affordable way.

Our goal at Glen Eagle Golf Club is to attract new golfers and provide them with the tools they need to feel comfortable and confident on the golf course. Whether you desire to become an accomplished golfer to play in tournaments, learn for the social aspect, or to be able to bring your family closer together; this is the right program for you. Our professional staff is very excited to make this program a success for all who are involved. It is important to note that you will be in a comfortable atmosphere with other members who may have the same concerns or fears as you.

Get Golf Ready, is a Five (5) week program that will meet once a week for 2 hours. All aspects of instruction will be covered, as well as; course etiquette and rules of golf. In addition to the lessons and practice time, handouts will be given to each student to take with them to help them learn the basics of golf terminology and understanding the game. Each 2 hour session will include time on the golf course to put the learning into action. The program will conclude at the end of the 5th week session with a graduation luncheon for all who participated.

The following page will help you with some FAQ about our program. We hope to see you out there learning to enjoy the game the way we all have been fortunate to do.

How do I join the fun?

Call the golf shop at Glen Eagle and let one of the golf professionals know you would like to participate in “Get Golf Ready”.

When does the program start?

The program will start on April 27th and end May 25th. Each session will be held each Monday from 10:00AM-12:00PM.

What does the program cost?

The 5 week program including the graduation lunch will cost \$110 per person. This is less than the cost of 2-one hour lessons.

What if I do not have golf clubs?

Glen Eagle will try to provide clubs to those who do not have them free of charge.

What if I do not want to come alone?

For the “Get Golf Ready” program, we understand some people may be intimidated to come alone. We invite you to bring a friend or child with you to go through the training with. Children must be over the age of 14.

What happens after the program?

When you have completed the 5 week program, you will feel you have the necessary skills to practice and play on your own and feel comfortable doing it. You may also decide at that point to continue lessons which our staff is always available for.

What if I have other questions?

Our Golf Professionals are excited to talk to you about the program and answer any questions you may have. Please give one of them a call or you may also email Mike Garrison at mikeg@golfgleneagle.com with your questions.
