ONE MAN SCRAMBLE FORMAT:

Today's format is an individual scramble low net & low gross. You will be flighted by handicaps and we will be using 50% of your handicap. You will get one club length from the original ball not nearer to the hole. You must create a "Like lie". No improving out of rough. Each player has 2 swings for every shot; take both swings one after another. There will be a slow play penalty. If you are not waiting for the group in front of you, you are behind. We will pay gross and net spots in each flight. Dinner will be ready immediately after the Scramble and then we will start the putting championship. Players may NOT putt on the putting green until their match.

RULES:

Play is from the BLUE Tee markers unless you are over 56 and choose to play the White Tees or over 70 and choose to play Combo Tees; Ladies Flight will play from the Red Tees

Ties in today's low net/low gross will be broken by a scorecard playoff.

If a rules question or dispute arises, or if you are uncertain how to proceed, play a second ball under the provisions in Rule 3-3 and the Rules Committee will make a decision upon completion of the round.
