FOLLOW THE FOLLOWING CHART FOR FORMAT:

- | | |
|---------------|--|

| HOLES (7-12) | <u><i>ALTERNATE SHOT</i></u> - Players will alternate each hole for who tees off. After the tee shot, it is true alternate shot taking turns until the ball is holed. Penalties do not change the order of who is to play, only the physical striking of the ball! Teams will receive 25% of their combined average. |
| HOLES (13-18) | <u><i>SCRAMBLE</i></u> - Each player will tee off, then you will select the best drive and both play from that spot. Continue this process until the ball is holed. Each team will receive 15% of their combined average. |

NOTE: Make sure to pay attention to the hole you are on and the format that should be played.
